Principal's Report – Mr. Eric Toot

A fun BC3 assembly was held on Friday, February 1. Staff members and students were Bean-Boozled. Next BC3 assembly is on Wednesday, February 27 with a sportsmanship focus.

School is not in session for students on Monday, February 18. The schedule will include professional learning time for teachers in the morning and work time for progress reports during the afternoon.

Parent teacher conferences will take place on Thursday, February 28, and at other times between February 26 and March 5. Progress reports are coming home in student backpacks on Monday, February 25. The purpose of sending them home early is to give families the chance to look over the progress report prior to the conference.

A big thank you to the book fair committee for providing certificates to the book fair for students to get a book who may not otherwise be able to do so. Over 160 gift certificates will be provided.

On-line registration access for next year is open for incoming Kindergarten students. It is also possible to register returning students.

Planning and preparation are underway for the 2019-20 school year. Kindergarten Jump Start will take place on Monday, August 12 and Tuesday, August 13. Meet the Teacher will be on Wednesday, August 21, with the first day of school taking place on Friday, August 23.

I've been in contact with a representative from Play and Park Structures and have some options for enhancing the BC playground. The hope is to give our students some choice on what will be purchased through voting.
